

MEMORANDUM FOR: General Graham

Rear Admiral Patrick J. Hannifin has replaced B/General Bresnahan as Chief, Strategic Plans and Policy Div, J-5, and ~~xxx~~ presumably will be representing General Seith at NSCIC Working Group meetings.

Gen Bresnahan went to the hospital nearly four months ago, and is still under medical care. Admiral Cramer came instead of Gen. Bresnahan the last couple of times, but now that Admiral Hannifin has replaced Gen Bresnahan, Capt Dyer (the backup staff officer) expects Admr. Hannifin to be the one who will come.
